

### **VISA REQUIREMENTS USING THE MOZAMBIQUE GOVERNMENT'S ONLINE PORTAL.**

There are various types of tourism visas available on the Government of Mozambique's website: <https://evisa.gov.mz/>. Please make sure you choose the correct visa option:

- **Border visa** (allows 2 entries) for 30 days [cost is USD50]
- **Tourist visa** (allows multiple entries) for up to 30 days [cost is equivalent to USD100]
- **Tourist visa** (allows multiple entries) for up to 60 days [cost is equivalent to USD200]
- **Tourist visa** (allows multiple entries) for up to 90 days [cost is equivalent to USD300]

(Other types of visas are also available on the portal including Business & Investment visas.)

You will require the following documents which must be scanned, clear, legible and in one of the supported formats: **JPEG, PDF or PNG.**

- ✓ Recent Passport size Photograph
- ✓ Passport copy, not less than 6 months validity
- ✓ Proof of financial means
- ✓ Proof of paid hotel reservation or Term of Responsibility (Termo de Responsabilidade)\*
- ✓ Return ticket

\*If visiting friends or family, a 'Termo de Responsabilidade' (Term of Responsibility) is required and must be written by the host. The Term of Responsibility should be authenticated as well by Mozambican authorities (typically a notary or consulate if outside of Mozambique).

The visa is paid for on arrival in Mozambique at the port of entry. In case the Immigration Authority's Visa/Mastercard system is down, it's best to carry cash notes in USD. Notes of \$50 and \$100 are accepted provided they are from the year 2013 onwards and have no ink or other markings on them.

## VISA EXEMPTION COUNTRIES

As of 1 May 2023, the Mozambican Government has given visa exemption to 29 countries, with only payment of a Mt650 tax being applied. The procedure will eventually go online but until such time, one can simply pay the tax on arrival.

Currently there is a distinction between a **Tourist** (guest staying in a hotel); and a **Visitor** (guest staying with family or friends), and the visa exemption is currently given to the Tourist but not the Visitor. We are hoping that these 2 categories will be merged and that Visitors will in future also benefit from the visa exemption regime.
