Dear Mrs. Von Allmen

We would like to use this opportunity to thank you for the excellent services we have received during these last years from your company Dana Tours Lda.

Especially during the last visit, where we received several Ministers and their Protocol from the Czech Republic, we were all very impressed with the professionalism, strong support and dedication of your team responsible for the transport of the dignitaries

On behalf of the Czech Ministry of Foreign Affairs I want to inform you that Dana Tours Lda. has proven itself to be first class company and we are looking forward continuing working with you in the future.

Yours faithfully,
